I thank those who have sent me messages of support and friendship during the past events that have struck France, strongly affected its values, its way of life for our young people.

France is a country of freedom, homeland of Human Rights.

Terrorism threatens us, threatens the world.

The Inter-Country Committees main mission is to connect women and men of all Continents, the actions carried out by these structures should promote the construction of the GLOBAL AGREEMENT.

Inter-Country Committees and Rotary International must work towards this goal.

Continue our task with PASSION, DETERMINATION and UNITY, until the realization of the ultimate goal of PEACE on EARTH.

Thank you to all of you,

Gwénaël de BERGEVIN
