MESSAGE

FROM NATIONAL CO-ORDINATOR

PDG DEEPAK TALWAR

Inter country committees (ICC) in Rotary

The ICC is an affiliate program accredited by Rotary international and similar to rotary action groups (R.A.G.S.) based on common hobbies or service areas of interest. It is not a program administered by the Rotary board of Directors. The ICC is managed by an Executive Council which elects/ selects its office bearers every two years.

The objectives of an ICC are encouraging sustained contact between Rotarians, rotary clubs and rotary districts in two or more paired districts. The sustained contact leads to deep bonds of friendship, sister clubs arrangements, friendship/ family exchange delegations, business delegations, cultural assimilation and joint community service implementation collaboration in each paired country. The program gives a true flavor and experience of Internationality of Rotary. When all districts in a country agree to an ICC with all districts of another country, we have an ICC with its memorandum of Understanding (M.O.U.), charter of activities and an official charter as per template approved by ICC executive committee.

In process of forming an ICC , if minimum two districts in each paired ICC country wish, they may form an sub national ICC and gradually invite other districts in each country to join the program by signing a protocol of Agreement.

The work of the sub national/ National ICC is carried out by following:

Intercountry
Committees

Rotary

SERVE TO
CHANGE LIVES

1. National Coordinator (NC) in each country who overseas and motivates rotary clubs and districts in his/ her country to form an ICC
2. A ICC working committee mirrored in each paired country led by a National **Section** head/ President/ Chair person , A vice Chair, a Hon secretary, a treasurer and two Rotarian members deputed by district governor of each participant district .

These committees in each paired country will initiate activities in consonance with objectives given above. Each activity is recommended to be monitored, finance arrangements made and recorded and contributions from committee members from each district are expected when their district is involved. The tenure of the working committee is indefinite subject to explicit consent of the National Coordinator in consultation with current district governors and approval of ICC executive committee.

We in India, till date have 31 ICCs at sub national level and 9 more are in pipeline. Since rotary internationally is present in 200 plus countries, the potential to form ICCs is immense. The ethos of an ICC is fellowship and service with humanity at its core over riding technicalities, positions and titles the role of which is just responsibility. Through this periodic E newsletter we will share with you salient information on ICCs formed, those in progress and potentials within our reach. We will also share snippets/ summary of accomplishments of ICCs over a period of time.

I encourage you to contact us and with consent of your district governor become a part of this wonderful program to give true shape and substance to the essence of rotary international mission: "We the people without boundaries join hands to do projects to make a positive sustained impact on lives of challenged world communities and in return earn their blessings which enrichen our spirit enveloping it in perennial happiness.

Warm Regards

A very well run home managed by RC Bangalore. The buildings are sponsored by corporates and especially the Bangalore Airport Corporation. The airport is situated close by.

ROTARY INTERNATIONAL INTER COUNTRY COMMITTEE

MISSION OF INTERCOUNTRY COMMITTEE

“To promote peace and international understanding while improving cross-cultural awareness, Engaging diversities, and bridging communities”

Editorial

PP Rtn. Subhash Dewan

Dear friends in Rotary,

It is heartening that for the first time, we have a lady RI President Rtn. Jennifer Jones, in a long history of rotary international.

Essence of all human beings is the same existence, that we merely are bestowed different individual talents & Gender roles. We are like actors on a stage called Planet Earth, giving our one life time performance. The Creator gave us abilities not for our own use but for the benefitting the world.

In the Rotary year 2000-01, when I was President of my R.C. Delhi South-West, R.I .President, Frank Delyn on his visit to our R.I. district said, we the Rotarians in your country India & ones in mine Mexico, should thank ourselves that we have never-ending opportunities to do our best in our developing world, otherwise Rotarians in the affluent western world have to literally look around For such avenues.

Friends, we Homo sapiens have devastated this beautiful planet in the last 200 years, which was not done in past millions of years before. It becomes our solemn duty to save it for our future generation, for the better life for our Children. The greatest hope can come from our Rotary World, spread out in 200 countries. It was Rotary which with help of WHO, decimated crippling

diseases Like Polio & others, but this journey, has to go on, till it reaches the last person in misery.

Here is our PDG Deepak Talwar of R.I. Dist. 3011, India, who has taken the challenge of doing well to society by clubbing two binary nations & Rotarians, in R.I. Districts together to alleviate poverty & hunger, illiteracy, malnutrition, sanitation, clean water & health issues; plus bring International understanding, conflict resolution, through goodwill for all.

At recent Armenian Rotary conference PDG Deepak Talwar's address was very motivational and musical. We wish the cold & hot war between Armenia & Azerbaijan. Rotary can be act like mediation. No longer can a bigger nation bully a small neighbor, we're saying in going on between Russia and Ukraine.

I can prove this by self-example, as in his year of his Dist. Governorship 2005- 6, Deepak chose me to write his 'Governor Monthly Letter' as Editor. It was in that year he took us, a good number of Dist. Rotarians to Pakistan (our estranged neighbour) on good-will mission to resolve conflict & to bring human- touch, at least between our two peoples, who have same roots, culture & languagSe. I wrote the awesome experience in our Mega issue, to show, how his initiative brought such enormous bonhomie thru' people to people contacts, which continues till date.

So my appeal to DGs & PDGs of all our friendly countries, to join his "ICC & Rotary" crusade in order to take Rotary to pinnacle of "Service above Self"

Warm Regards
PP Rtn Subhash Dewan
