Inter country committees (ICC) In Rotary

The ICC is an affiliate program accredited by Rotary international and similar to rotary action groups (R.A.G.S.) based on common hobbies or service areas of interest. It is not a program administered by the Rotary board of Directors. The ICC is managed by an Executive Council which elects/ selects its office bearers every two years.

The objectives of an ICC are encouraging sustained contact between Rotarians, rotary clubs and rotary districts in two or more paired districts. The sustained contact leads to deep bonds of friendship, sister clubs arrangements, friendship/ family exchange delegations, business delegations, cultural assimilation and joint community service implementation collaboration in each paired country. The program gives a true flavor and experience of Internationality of Rotary. When all districts in a country agree to an ICC with all districts of another country, we have an ICC with its memorandum of Understanding (M.O.U.), charter of activities and an official charter as per template approved by ICC executive committee.

In process of forming an ICC , if minimum two districts in each paired ICC country wish, they may form an sub national ICC and gradually invite other districts in each country to join the program by signing a protocol of Agreement.

The work of the sub national/ National ICC is carried out by following:

1. National Coordinator (NC) in each country who oversees and motivates rotary clubs and districts in his/ her country to form an ICC

A ICC working committee mirrored in each paired country led by a National **Section** head/ President/ Chair person , A vice Chair, a Hon secretary, a treasurer and two Rotarian members deputed by district governor of each participant district .

These committees in each paired country will initiate activities in consonance with objectives given above. Each activity is recommended to be monitored, finance arrangements made and recorded and contributions from committee members from each district are expected when their district is involved. The tenure of the working committee is indefinite subject to explicit consent of the National Coordinator in consultation with current district governors and approval of ICC executive committee.

We in India, till date have 36 ICCs at sub national level and 14 more are in pipeline. Since rotary internationally is present in 200 plus countries, the potential to form ICCs is immense. The ethos of an ICC is fellowship and service with humanity at its core over riding technicalities, positions and titles the role of which is just responsibility. Through this periodic E newsletter we will share with you salient information on ICCs formed, those in progress and potentials within our reach. We will also share snippets/ summary of accomplishments of ICCs over a period of time.

I encourage you to contact us and with consent of your district governor become a part of this wonderful program to give true shape and substance to the essence of rotary international mission: "We the people without boundaries join hands to do projects to make a positive sustained impact on lives of challenged world communities and in return earn their blessings which enrich our spirit enveloping it in perennial happiness.

Warm Regards

21.020.2. Establishing an Intercountry Committee

Intercountry Committees can be national or sub-national relationships between two countries. National intercountry committees require the consensus of all districts in a country. Sub-national intercountry committees require the consensus of all districts participating in the relationship. An established Intercountry Committee shall inform the Executive Council of its formation.

A. Establishing a national Intercountry Committee

To form an Intercountry Committee between two or more countries, approval from all of the countries' district governors must be obtained. District governors from a given country who wish to delegate decision-making authority for establishing new national Intercountry Committees may do so with unanimous consent of all district governors in the country.

Interested Rotarians in each country should form a planning committee to establish an Intercountry Committee. The responsibilities of the planning committee include obtaining approval to organize an Intercountry Committee from each district's governor, electing an Intercountry Committee chair to lead the relationship, identifying potential projects, and activities for the ICC participants to undertake, and organizing a planning meeting. The name of an intercountry committee shall be taken from the names of the participating countries. Should a district decide to leave the relationship, the relationship shall evolve into a subnational Intercountry Committee.

B. Establishing a subnational Intercountry Committee

To form a subnational Intercountry Committee between two or more districts, approval from all of the district governors must be obtained.

Interested Rotarians in each district should form a planning committee to establish a district-level Intercountry Committee. The annual report shall include contact information for Intercountry Committee chairs, a list of Intercountry Committee relationships, and a summary of major projects and activities. Failure to submit an annual report by 1 August will result in termination of the president's term and will require the Executive Council members to elect a new president. The Executive Council may collect modest optional fees from established ICCs to cover website expenses. Modest optional fees may be collected from participating districts to cover operating costs of an Intercountry Committee. The fees may be used for administrative purposes or to support humanitarian projects and cannot be used to offset travel or other expenses incurred by an individual as a result of participating in activities organized by an Intercountry Committee or the Executive Council. If an Intercountry Committee or the Executive Council elects to collect fees, the Intercountry Committee's leadership or Executive Council's leadership shall prepare a budget of estimated income and estimated expenditures for the year at the beginning of each fiscal year. All bills shall be paid by the treasurer, or other authorized officer, only after approval by two other officers. An annual financial review by a qualified person shall be made of all the Intercountry Committee's and Executive Council's financial transactions and be shared with all participating districts. *(October 2019 Mtg., Bd. Dec. 45)*

MESSAGE

ADDRESS ON ICC BY RTN. MOHAMED GHAMMAM **CHAIRMAN ICC EXECUTIVE COUNCIL**

SPEECH AT THE INSTITUTE OF BALE (NOVEMBER 2022)

Honorable guest

I will tell you about the ICCs, their mission, their organization, their role as Rotary Peace and ambassadors for understanding and friendship in the world and about the action that the ICCs carry out to bring people together and build peace, and then I will announce three initiatives for peace, that we plan to put place very soon.

1. Who are we?

As you know, it all began in May 1950 when two French and German Rotary leaders signed in Strasbourg a first charter of friendship and mutual collaboration committing Rotarians in their countries to take action to rebuild bonds of friendship and mutual understanding. Since then, the concept and the program have continued to spread.

We currently register 675 national ICC sections spread over 95 countries and on all continents.

2. What is our mission?

The mission of an ICC is to spark a dynamic that will encourage Rotarians to forge privileged, ideally friendly ties with their counterparts in other countries and help pave the way of peace.

The objective is to establish understanding, mutual respect, and mutual interest to lead to projects and action that will very often be relayed and supported by Rotary clubs.

Example include the development of twinning between clubs in participating countries, the organization of friendly exchanges between Rotarians and Rotaractors and the encouragement of clubs and district in one country to join force with clubs and districts in other countries to set up Global Grant and initiate dialogues aimed at understanding between peoples with the aim of Safeguarding and the culture of peace and the achievement of peaceful society.

3. What is the organization of ICCs?

The ICCs are organized as follows, three levels of leadership: national, regional, and international. The national level includes the national ICC section and the National ICC Country Coordination. One ICC is composed of two national section, one section in each country.

Intercountry
Committees

Rotary

SERVE TO
CHANGE LIVES

Any Rotarian or Rotaractor and even a peace-loving non-Rotarian can join an individual ICC National section.

Since its constitution, the ICC National Section has brought together its members, ensuring respect for diversity and inclusion.

When both sections are operational, a charter seals this collaboration.

The national sections of a country are grouped in a national coordination by country.

A level of regional leadership is developed by continent of Rotary Zone in the form of Regional Expansion Task Forces.

The third level of leadership is constituted by the Executive Council of the ICC which is headed by a Board and a President.

The Executive Council establishes, among other things, a strategic plan and an action plan for the ICCs and ensures its implementation.

The Chairman of the Executive Council of the ICCs ensures links with Rotary International staff in Evanston.

4. What is our role in marking the path to Peace?

ICCs is an integral part of Rotary's programs and initiatives and work together with other Rotary Peace builder to pave the way to peace.

We are aware that the present image of the world is not reassuring.
We live in a world mourning thoughts and ideals.

Humanity feels more than ever a new demand for solidarity that constitutes both a nascent reality and a promise to be fulfilled.

5. What can we do besides peace through service,

That means that we must continue to build a world where everyone can truly exist by acting according to their being instead of reacting according to the other.

A world where living together is possible because our commitment can only be a commitment of humanity. The only effort we cannot afford to relax is our quest for peace. Any other alternative is unimaginable.

Without peace, it will not be possible to achieve the levels of trust, cooperation and inclusion needed for societies to be resilient to shocks, manage difference and adapt to change in their environment.

To this end, we are launching three peace initiatives that we are planning for next year.

Intercountry
Committees

Rotary

SERVE TO
CHANGE LIVES

4.1 The first peace initiative concerns the situation of war and non-peace in the Ukrain / Russia region, leading to tragedies in human lives, human resources, devastating destruction, displacement of populations and refugees in large numbers, generating a climate of hatred and with repercussions of instability and division at the level of world.

4.2 The second peace initiative concerns the Mediterranean region, where serious conflicts have been going on for a long time and are multiplying, leading to a climate of tension, and misunderstanding with repercussions at global level.

Added to this is the dramatic situation created by the migratory phenomenon of southern but also sub-Saharan countries to northern countries, resulting in deplorable loss of human lives and problems for the countries of the northern shore.

4.3 The third initiative concerns peace in Africa.

Did you know that there are currently about 20 hotbeds of tension of different kinds in Africa? We believe that Africa must work to end all wars, civil conflicts, gender-based violence and the prevention of genocide and use its resources for the development and well-being of its people.

4.4 How are we doing to proceed?

We plan to bring together for each initiative, ICC members, Rotarians, Rotaractors, representatives of civil society goodwill, and mediation and peace organizations operating under or in partnership of Rotary International.

Our goal is to enable all parties concerned to listen to each other, to dialogue together and to see opportunities for understanding and cooperation of subjects of primary interest to them, with the main objective: to rebuild bonds of friendship and mutual understanding allowing them to move closer to a just peace.

I end my remarks with these terrible words of Albert Camus: I despised them because, while they could do so much, they dared so little.

Rather, I am saying that we will dare, and we will continue to believe that peace is possible in these three hot regions of the world, and we will achieve it.

Thank you

Mohamed GHAMMAM

Every year in Sri Lanka 3000 children are born with congenital heart disease and only 700 children get operated in the government hospital due to the lack of Doctors and operation theatre facilities. Our club involved in getting surgery done in private hospital in Sri Lanka and also severe cases we send them to India.

However last two years due to pandemic we could not sent anybody and now this year again we started this programme to get heart surgery done for 70 children at Amrita hospital cochin where total expenses air ticket for the children and one of the parent and surgery cost and other food and logging expenses all are taken care through Rotary global grant and major portion was contributed through well-wishers from India.

Apart from the surgery Rotary always believes in sustainability and we are sending 30 nurses as well as 4 doctors for the training so that the nurses could assist the doctors for the higher level surgery after the training.

Also Indian doctors will conduct a one day seminar for Gynaecologist and Radiologist to identify heart ailment when baby is in the womb so that many complications can be avoided. This total project cost LKR 105 million.

ROTARY INTERNATIONAL INTER COUNTRY COMMITTEE

MISSION OF INTERCOUNTRY COMMITTEE

“To promote peace and international understanding while improving cross-cultural awareness, Engaging diversities, and bridging communities”

Editorial

PP Rtn. Subhash Dewan

Dear friends in Rotary,

It is heartening that for the first time, we have a lady RI President Rtn. Jennifer Jones, in a long history of rotary international.

Essence of all human beings is the same existence, that we merely are bestowed different individual talents & Gender roles. We are like actors on a stage called Planet Earth, giving our one life time performance. The Creator gave us abilities not for our own use but for the benefitting the world.

In the Rotary year 2000-01, when I was President of my R.C. Delhi South-West, R.I .President, Frank Delyn on his visit to our R.I. district said, we the Rotarians in your country India & ones in mine Mexico, should thank ourselves that we have never-ending opportunities to do our best in our developing world, otherwise Rotarians in the affluent western world have to literally look around For such avenues.

Friends, we Homo sapiens have devastated this beautiful planet in the last 200 years, which was not done in past millions of years before. It becomes our solemn duty to save it for our future generation, for the better life for our Children. The greatest hope can come from our Rotary World, spread out in 200 countries. It was Rotary which with help of WHO, decimated crippling diseases Like Polio & others, but this journey, has to go on, till it reaches the last person in misery.

Here is our PDG Deepak Talwar of R.I. Dist. 3011, India, who has taken the challenge of doing well to society by clubbing two binary nations & Rotarians, in R.I. Districts together to alleviate poverty & hunger, illiteracy, malnutrition, sanitation, clean water & health issues; plus bring International understanding, conflict resolution, through goodwill for all.

At recent Armenian Rotary conference PDG Deepak Talwar's address was very motivational and musical. We wish the cold & hot war between Armenia & Azerbaijan. Rotary can be act like mediation. No longer can a bigger nation bully a small neighbour, we're saying in going on between Russia and Ukraine.

I can prove this by self-example, as in his year of his Dist. Governorship 2005- 6, Deepak chose me to write his 'Governor Monthly Letter' as Editor. It was in that year he took us, a good number of Dist. Rotarians to Pakistan (our estranged neighbour) on good-will mission to resolve conflict & to bring human- touch, at least between our two peoples, who have same roots, culture & language. I wrote the awesome experience in our Mega issue, to show, how his initiative brought such enormous bonhomie thru' people to people contacts, which continues till date.

So my appeal to DGs & PDGs of all our friendly countries, to join his "ICC & Rotary" crusade in order to take Rotary to pinnacle of "Service above Self"

Warm Regards
PP Rtn Subhash Dewan
