ICC Signing Africa/ India - 2 April 2024

Congratulations!

Let us continue to collaborate and take all necessary action to further build better understanding and relationships, following the recommendations of the International Executive Council of ICC, this will come from bilateral or multilateral relations. Together let's continue to build positive peace.

Message of encouragement

RID Raju Subramanian

I am extremely happy to note that for the first time for an ICC, 28 Districts in India will be signing an MOU with 46 Districts in Zone 22 in Africa. Unique opportunity to build relationships, share experiences and mutually strengthen our respective districts. This will help in building partnerships and also help in supporting projects in the districts. Will build relationships of a life time and help serve Rotary better.

Congratulations to all the Districts.

My apologies for being unable to remain present physically.

ROTARY INTERNATIONAL INTER COUNTRY COMMITTEE

MISSION OF INTERCOUNTRY COMMITTEE

“To promote peace and international understanding while improving cross-cultural awareness, Engaging diversities, and bridging communities”

Editorial

PP Rtn. Subhash Dewan

Dear friends in Rotary,

It is heartening that for the first time, we have a lady RI President Rtn. Jennifer Jones, in a long history of rotary international.

Essence of all human beings is the same existence, that we merely are bestowed different individual talents & Gender roles. We are like actors on a stage called Planet Earth, giving our one life time performance. The Creator gave us abilities not for our own use but for the benefitting the world.

In the Rotary year 2000-01, when I was President of my R.C. Delhi South-West,

R.I .President, Frank Delyn on his visit to our R.I. district said, we the Rotarians in your country India & ones in mine Mexico, should thank ourselves that we have never-ending opportunities to do our best in our developing world, otherwise Rotarians in the affluent western world have to literally look around For such avenues.

Friends, we Homo sapiens have devastated this beautiful planet in the last 200 years, which was not done in past millions of years before. It becomes our solemn duty to save it for our future generation, for the better life for our Children. The greatest hope can come from our Rotary World, spread out in 200 countries. It was Rotary which with help of WHO, decimated crippling diseases Like Polio & others, but this journey, has to go on, till it reaches the last person in misery.

Here is our PDG Deepak Talwar of R.I. Dist. 3011, India, who has taken the challenge of doing well to society by clubbing two binary nations & Rotarians, in R.I. Districts together to alleviate poverty & hunger, illiteracy, malnutrition, sanitation, clean water & health issues; plus bring International understanding, conflict resolution, through goodwill for all.

At recent Armenian Rotary conference PDG Deepak Talwar's address was very motivational and musical. We wish the cold & hot war between Armenia & Azerbaijan. Rotary can be act like mediation. No longer can a bigger nation bully a small neighbour, we're saying in going on between Russia and Ukraine.

I can prove this by self-example, as in his year of his Dist. Governorship 2005- 6, Deepak chose me to write his 'Governor Monthly Letter' as Editor. It was in that year he took us, a good number of Dist. Rotarians to Pakistan (our estranged neighbour) on good-will mission to resolve conflict & to bring human- touch, at least between our two peoples, who have same roots, culture & language. I wrote the awesome experience in our Mega issue, to show, how his initiative brought such enormous bonhomie thru' people to people contacts, which continues till date.

So my appeal to DGs & PDGs of all our friendly countries, to join his "ICC & Rotary" crusade in order to take Rotary to pinnacle of "Service above Self"

Warm Regards
PP Rtn Subhash Dewan
